8) Continuance of staff for Control of pulses and jaggery in Bangalore city

for control and distribution of pulses in Bangalore city. But he has not explained why it is necessary to continue any staff for jaggery control work for a whole year from 1.7.47 to 30.6.48.

He has, however, recommended sanction for the continuance of the entire existing establishment (5 for control of pulses and jaggery) noted in para 1 above for a period of one year from 1.7.47.

2) The D.C. has solicited sanction for the recommendation made by the Rationing officer. See proposal for or for Govt.

4) Whether the control of and distribution of pulses and jaggery in Bangalore city cannot be entrusted to the existing rationing establishment is for consideration.

5) The need for continuing the staff for pulses is absolutely necessary, especially because the Govt have recently ordered that the Jaw to be imported should be sold through Govt depots. It does not appear that there is any necessity for continuing an Asst. Inspector for Jaggery as the Jaggery position has very much eased and there is very little work to do. So it would be desirable to sanction the following staff:—

Subject: Extra staff to the Rationing Office, Bangalore City, in connection with the control of pulses and jaggery - continuance of -

Adverting to the marginally noted * G.O's sanctioning certain extra staff to the Office of the Rationing Officer, Bangalore City, in connection with the distribution and control of pulses and jaggery till the end of June 1947, I have the honour to forward herewith copies of letter No.E1.154.C.1295/46-47 dated 28-5-47 and 29-5-47 from the Rationing Officer, Bangalore City, explaining the need for the continuance of the said staff and to request that in the circumstances stated sanction of Government may be kindly obtained to the continuance of the abovementioned staff till the end of June 1948.

I have the honour to be,
Sir,
Your most obedient servant,

DIRECTOR OF FOOD SUPPLIES.

2)One Asst.Food Inspector on Rs.50/- plus Rs.10/-p.m.(For Jaggery Control work).

Copy of letter No.E1.154-C.1295/46-47 dated 29-5-47 from the Rationing Officer, Bangalore City, to the Director of Food Supplies.

Sub: Extra staff for the Rationing Officer, Bangalore, City in connection with the control of Pulses and Jaggery continuance of -

Adverting to your memo No.C1.7678/46-47 dated 20-5-47 on the above subject, I have the honour to state that the transfer of the work of distribution of pulses and Jaggery control in Bangalore City from the Deputy Commissioner, Bangalore District, to the Rationing Officer, Bangalore City, the ministerial work in this Office has very much increased and is constantly increasing due to the non-availability of of pulses to the public. One senior official is quite necessary who could be entrusted with this special item of work.

On a careful consideration of the position both in point of quality and volume of work that devolves on the Rationing section in Bangalore City in this direction, I feel there is great need for the continuance of the marginally noted extra staff sanctioned up to end of July 1947 to cope with the work in administering the Pulses distribution and Jaggery control.

1. One senior clerk on Rs.75/- p.m..
2. One Clerk on Rs.40/- p.m.
3. One Asst.Food Inspector for Jaggery on Rs.50/- plus 10/- C.A.

I request therefore that sanction of Government may kindly be obtained for the continuance of the above additional staff for a period of one more year from July 1947.

The favour of early action is requested in the matter.

Copy of letter No.E1.154-c-1295/46-47 dated 28th May 1947 from the Rationing Officer, Bangalore City, to the Director of Food Supplies in Mysore, Bangalore.

Sub: one Asst. for distribution of pulses in Bangalore city - Continuance of -

Adverting to your memo No.C1.7675/46-47 dated 20-5-47 calling for a report on the above subject, I have the honour to state that the situation of pulses is very acute in Bangalore City and a fair distribution of these pulses has to be made to the public by checks and counter checks of the accounts of the whole-sale and retail dealers in pulses. If this is not made, most of the pulses, viz., Tur dhall, Green gram etc., which are essential to the public and which they cannot get anywhere else except through Government agency when there is scarcity for pulses every where, will be misused by the merchants without being distributed properly.

As the present stock of pulses is very poor and a fair distribution of the available stocks has to be made to the public by proper supervision over the merchants, the post of an Asst.Food Inspector sanctioned in connection with the same up to end of June 1947 (Vide Govt. Order No.SD.3351 -54/A-131-46-2 dated 6th November 1946) is absolutely necessary to have a vigilant watch on the stock position and distribution and the post may kindly be ordered to be continued for a period of one more year from July 1947.

The favour of early orders is requested in the matter.
